Aproperties presents an exterior-facing apartment with a built area of 142 m² (according to the land registry), located in the sought-after Alameda de Osuna neighborhood in Madrid—a privileged setting adjacent to the historic El Capricho Garden and Juan Carlos I Park. Built in 1998, the property stands out for its east-facing orientation and an abundance of natural light. It is an ideal home for internationally-minded families or professionals seeking a sanctuary surrounded by nature, while still enjoying excellent connectivity. The interior layout skillfully separates the social areas from the private living quarters. The living-dining room, featuring elegant marble flooring and air conditioning, opens onto a balcony—complete with an awning—that is perfect for relaxation. The separate kitchen connects to a functional utility/laundry terrace. In the private wing, warm parquet flooring leads to four spacious bedrooms, all with built-in wardrobes, and two full bathrooms; the master suite includes its own en-suite bathroom and a custom-designed walk-in closet. The surrounding area offers an exceptional quality of life, combining a peaceful residential atmosphere with the convenience of an included parking space and a storage unit within the same building. The property boasts excellent accessibility, situated just one hundred meters from the El Capricho metro station...
