In the prestigious neighbourhood of Almagro, one of the most exclusive and iconic areas of Chamberí, lies this elegant flat with a floor area of 201m², situated on the seventh floor of an iconic 1960s building designed by the architect Ruiz de la Prada. The flat stands out for its west-facing aspect, its high ceilings and its large windows overlooking a beautifully landscaped inner courtyard, which provide extraordinary natural light and a pleasant sense of tranquillity right in the heart of Madrid. The property was completely refurbished just a few years ago using high-quality materials and top-of-the-range finishes. The flat offers a layout designed to make the most of spacious and well-defined areas. A generous entrance hall leads to a magnificent reception area comprising two separate living rooms and an elegant dining room seating eight. The separate, contemporary-style kitchen is fully equipped with top-of-the-range appliances and includes a practical breakfast nook. The sleeping area comprises three spacious master bedrooms and three bathrooms, with the master suite standing out in particular, featuring an en-suite bathroom with a whirlpool bath. There is also the option to restore the staff bedroom with its original bathroom, depending on the property's requirements. Living in Almagro means enjoying stately architecture, embassies, the most renowned restaurants...
