In the heart of Almagro, one of Madrid's most elegant and prestigious residential neighbourhoods, lies this exceptional brand-new renovated exterior apartment of 186 m², located on the fourth floor of a classic 1929 building that was comprehensively refurbished in 2026. The property seamlessly combines the character and elegance of Madrid's stately architecture with a contemporary design conceived for those seeking space, privacy, and a natural connection to the city through abundant light and pleasant open views from its balconies. The layout has been carefully designed to ensure comfort and effortless flow throughout every space. The spacious living room, arranged into two distinct areas, opens onto three northeast-facing balconies and enjoys outstanding natural light thanks to its excellent orientation. The 2.90-metre-high ceilings and the restoration of original architectural features add personality, elegance, and sophistication to the interiors. The kitchen, open to the dining area, features a central island and premium materials that integrate harmoniously into the social living space. The property offers three generous double bedrooms, each with its own en-suite bathroom, including a magnificent principal suite with a walk-in wardrobe. In addition, there is a family room or home office, ideal for remote working, reading, or welcoming guests. Living in Almagro...
