Aproperties presents a wonderful detached house just steps from the Casa de Campo park, in the heart of Madrid Río.

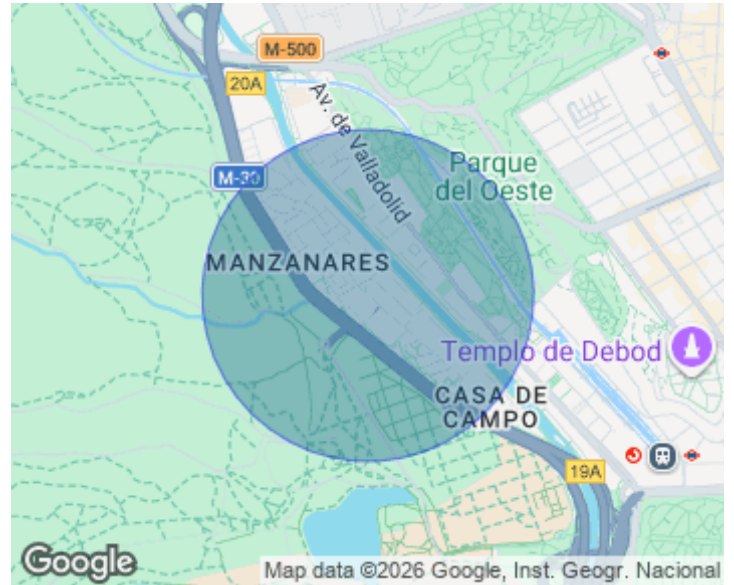

A home designed for families seeking quality of life, tranquility, and nature within the city. Go for a run along the paths of Madrid Río, stroll through the gardens of the Casa de Campo, or simply enjoy the peace and quiet of a neighborhood where the pace of life is different. All this, without giving up being in Madrid. The house, recently renovated and ready to move into, is distributed over four spacious floors that offer endless possibilities for adaptation: for large families, for those who need a home office, or for those who simply

want real space. And when the cold weather arrives, there's nothing like cozying up at home. The two fireplaces make every corner especially inviting during the winter months, adding a character and warmth that few homes can offer. A unique opportunity to live in one of Madrid's most special areas. Can you imagine living here?
