aProperties presents this exclusive 83m² property according to the cadastre, of which 77m² are residential.

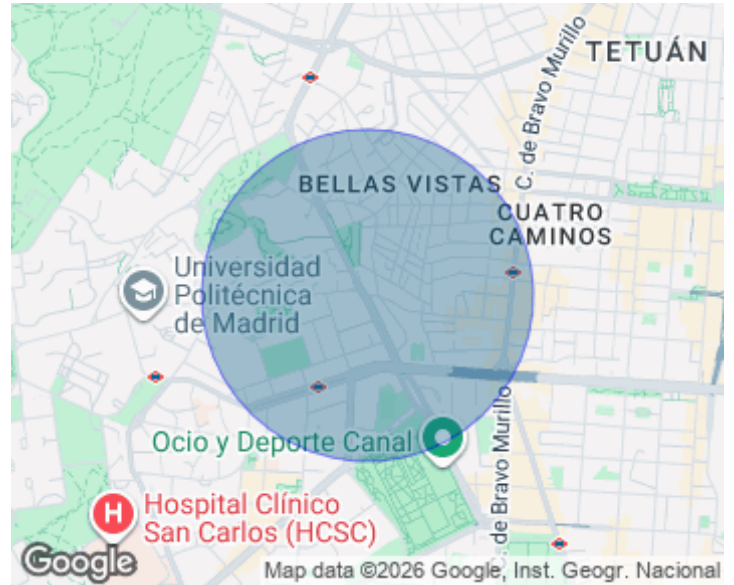

In this house, natural light challenges the conventional concept of "interior." Thanks to its privileged location facing a large courtyard, the house enjoys exceptional luminosity and absolute calm, away from traffic noise. Clarity in every corner The design of the house has been designed to maximize the entrance of sun: all rooms (except bathrooms) have large windows, turning each room into a cheerful and lively space. High-end reform and efficiency With 83 m² built (77 m² of housing), the property has been recently renovated with top quality

materials and a functional design: Invisible air conditioning: Radiant and refreshing floor system for total comfort in any season. Intelligent storage: Large capacity thanks to its numerous built-in cabinets. Open spaces: The living-dining room integrates a high-end kitchen with premium appliances, illuminated by two spectacular windows that are the heart of the house. Smart distribution A cozy hall organizes the house privately: on one side, a spacious bedroom; on the other, the open social area. The master bedroom is located at the end of a second distributor, configured as a suite with...
