This home stands out for its generous spaces, excellent condition, and exceptional brightness thanks to its privileged south and east orientation. The property offers five spacious bedrooms and four bathrooms, providing an ideal layout both for large families and for those seeking space and comfort in an exclusive location. One of its main highlights is the impressive living-dining area, enlarged through the incorporation of a terrace, creating an open, elegant space filled with natural light throughout the day. Its orientation and large windows make this area the true heart of the home. The property was renovated by the current owners a few years ago and is now in very good condition, ready to move into. The renovation was carried out with a focus on functionality and quality, offering comfort and a contemporary aesthetic. In addition, it includes a convenient parking space and storage room, an essential added value in this area of Madrid.
