Cozy and very bright apartment of 64 meters with terrace and lots of light recently renovated.

Upon arrival we find a large living room that leads to the sleeping area. To the left we find the kitchen, fully equipped that leads to the terrace, with enough space to put some chairs and table. The sleeping area consists of two bedrooms with fitted closets and a large bathroom. Despite not facing the street, it has plenty of light because it overlooks a large courtyard shared with other buildings. Classic portal with doorman, very close to Serrano street and Paseo de la Habana. Can you imagine living here?
