In the heart of the Castellana neighborhood, within the Salamanca district, this 57 m² flat on Calle Lagasca is now for sale, inside a 1922 building that preserves the character of one of Madrid's most stately areas. The property has just undergone a comprehensive renovation, making an immediate visual impression: high-quality materials, thoughtfully chosen finishes, and a warm light that flows through every room. Inside, it is laid out into a social area with a living room and a fully equipped open kitchen, two bedrooms, and two full bathrooms. The bathrooms make all the difference, featuring marble and brass details that lend a contemporary, refined touch. It includes heating, air conditioning, a lift, and comes fully furnished, ready to move in without lifting a finger. Being an interior unit,

it offers an uncommon level of quiet right in the city center. Living here means being just steps away from the Golden Mile and its haute couture brands, with El Retiro nearby, metro stations, bus lines, and direct access to the M-30. An established setting, ideal for anyone looking for brand-new design in Salamanca without giving up everyday peace and quiet. An opportunity like this for €929,000. At aProperties, we would be delighted to show it to you. Can you imagine living here?
