This 600 m² penthouse is located on the seventh floor of a representative mid-20th-century building, boasting high-quality finishes and exceptional natural light.

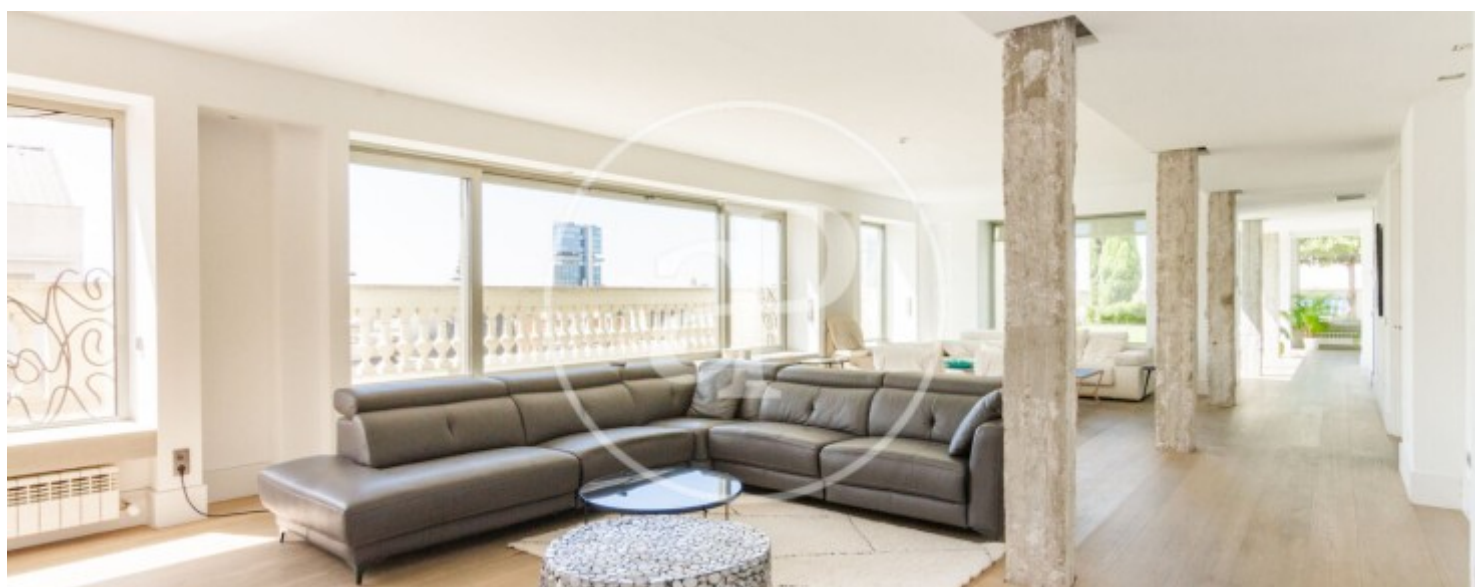

The home features an elegant entrance hall that leads to a spacious living room with floor-to-ceiling windows and direct access to the terrace. Adjacent to the hall is a cozy living-dining room that connects to the separate kitchen, fully equipped with state-of-the-art appliances. It also includes a bedroom and a bathroom with a separate entrance. The private area includes four generously sized en-suite bedrooms. The master bedroom features two showers, a bathtub, and plenty of storage space thanks to

its built-in wardrobes. One of the bedrooms, located next to the living room and with its own bathroom, is currently used as a dressing room. Features include central heating, ducted air conditioning, motorized blinds, an alarm system, and adjustable lighting in all rooms. Two parking spaces are also available on the premises, along with a concierge service. Available from September. Can you imagine living here?
