**Spectacular house with very careful reform
spectacular home in the middle of Fuencarral
street.**

As soon as we arrive, we are greeted by a large entrance hall. On the right, we find the living room with three windows facing the street; in the hall, there is a toilet and wardrobe; on the left, there is the kitchen with a large American bar; next, we find the jewel, a garden in a courtyard with a fountain. The night area consists of four bedrooms, all with bathroom. The master bedroom also has a large dressing room. Air conditioning by aerothermy. Housing with lots of light and peace. The reform was done two years ago. Can you imagine living here?
