The apartment is on the first floor, but it has second height and is exterior, with two balconies to the street, facing east, so the morning light is very pleasant in the living room-kitchen space. The house has 61 m², being 49 m² of housing and 12m² of common elements. The distribution is as follows, is accessed through a small and cozy hall, and followed to the left, we find a double room with fitted wardrobes, followed by this we have a large bathroom, and adjoining a semi open kitchen to the living room,

the which has the two balconies mentioned above. The house has air conditioning, the community is € 77, and has a parking space on the farm, for €30,000. The location is ideal, since the street is very quiet, with decoration shops and schools around, a step away from the Barceló Market and the Metro Tribunal, with all kinds of shops, restaurants, shops and leisure. Ideal for living or as an investment.
