We present this attractive design studio located in Centro Colón, in the heart of Justicia neighborhood, one of the most popular areas and with greater projection of the capital.

The house, completely renovated and ready to be opened, is located on a tenth floor, which provides a magnificent natural light entry throughout the day thanks to its south orientation and its large windows. The main space has been designed in an open format that integrates living room, dining room and kitchen, achieving a very attractive feeling of spaciousness and modernity. The rest area can be easily separated by an elegant sliding door, ensuring privacy when desired, and has an en-suite bathroom with modern and functional finishes. The property stands out for the quality of its renovation, a careful interior design project and a distribution designed to make the most of every square meter. Living in this area of Justice is enjoying an elegant environment, facing the Place de la Villa in Paris, with an excellent gastronomic, cultural and commercial offer, a few meters also from the Plaza de Colón and perfectly connected with the rest of the city. A unique opportunity to acquire an exclusive property, with character, luminosity and in one of the best...
