### PENTHOUSE WITH THREE BEDROOMS AND TERRACE IN JUSTICIA.

Penthouse in one of the main streets of the Justicia neighbourhood, a stone's throw from Calle Génova. The property consists of 3 bedrooms and three bathrooms; all the rooms have en-suite bathrooms. As soon as we enter we arrive to an entrance hall, at the back we find a large living room with representative wooden beams, which gives access to the large terrace, to the right we find a bedroom with fitted wardrobes and bathroom, the main bedroom is in the cupola of the building, with space for dressing. From the hall we also access to the kitchen, fully equipped and with lots of light, as it overlooks the

terrace. The third bedroom is upstairs, has plenty of light and its own bathroom. Without a doubt, the terrace is the jewel of the property, with a rectangular shape, it has thirty square metres and receives light all day long, due to its south orientation. Representative building with doorman. Can you imagine living here?
