It is a designer flat designed by architects. Located in a historic building in the centre of Madrid, in the district of Chueca. Brand new. The property is the result of artistic work, combining aesthetic, harmonious and functional spaces. It is exterior and bright, with high ceilings and the original wooden structure of the building. It is a unique, signature flat. It has been entirely custom-designed: the kitchen, the library with niche for the bioethanol fireplace, the wardrobes, the bathroom furniture and the Italian showers. Wooden floor. Even the smallest

detail has been designed and built exclusively. Particular care has been taken to create a warm, detailed and energy-saving lighting system. A movable partition separates the master bedroom from the adjoining bedroom. Thus, when this adjoining bedroom is not occupied, it is possible to move the partition and create a master bedroom twice the size. Layout: Large open plan kitchen-dining-living room, master bedroom with bathroom en suite and dressing room, plus 2 guest bedrooms with guest bathroom. Floor 4, exterior, lift, air conditioning, individual gas heating. Can you imagine living...
