This is a series of luxury homes completely renovated by a prestigious interior design studio. The project consists of social areas, such as co-working, gym and laundry for cleaning service. Currently, the housing is in the process of reform and in turn the common areas, which is why the estimated time to finish the works of the common areas is for the end of the year 2026. If you are looking for luxury, comfort and profitability, this is your apartment. The owners will have to manage the rents of the house through our company LuxaHome.
