aProperties Real Estate offers for sale this attractive penthouse located in Ciudad Jardín, very close to Plaza de Prosperidad and Calle de López de Hoyos, within the Chamartín district. An exceptionally light-filled and sunny residence situated on the top floor of a building with an elevator and meticulously maintained common areas, which also includes a parking space in the building directly opposite. The home is distributed into a pleasant living-dining room, an independent fitted kitchen, two double bedrooms, and an

expansive bathroom with natural ventilation—a highly valued feature that brings added comfort and natural light into the space. Both bedrooms easily accommodate double beds, providing a practical and comfortable layout throughout. The property features a private terrace, ideal for setting up a table and chairs to enjoy outdoor living and Madrid sunsets. Years ago, a significant portion of the original terrace was incorporated into the home's interior, providing a usable living area larger than what is listed in the Cadastre while still preserving a delightful outdoor space.
