Exterior house of 148 m2 in a building with double access and maximum security, located on one of the main shopping streets, across to Calle de Sor Ángela de la Cruz.

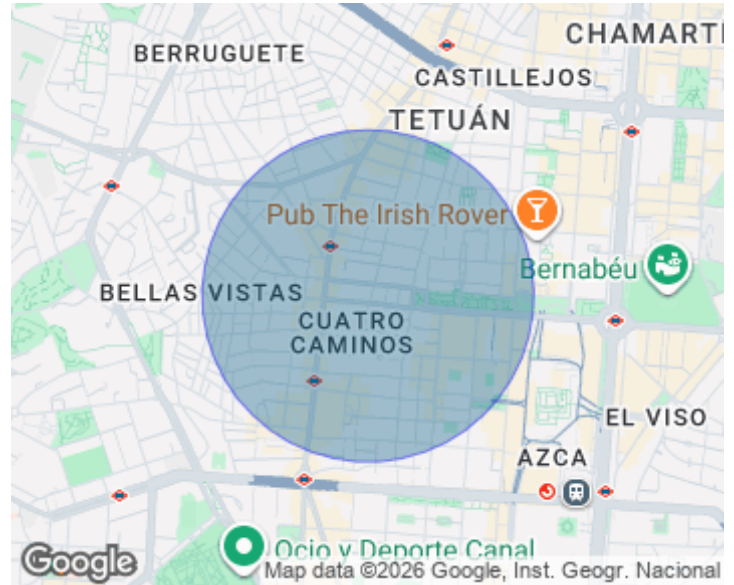

It is a floor of intermediate height, partially renovated and in excellent condition, with great possibilities for redistribution thanks to the amplitude of its rooms and the excellent distribution of spaces. The house stands out for its high ceilings and its great sense of spaciousness. It has 148 m2 built and is currently distributed as follows: Large entrance hall that gives access to the different rooms of the house. In the right area of the entrance we find three exterior double bedrooms,

all with fitted wardrobes and large windows with double window, which brings brightness and insulation. In the left area there is a renovated full bathroom, very close to the entrance, and a large independent kitchen with plenty of natural light. From the main hallway we access a living room of square floor and spacious dimensions. From the living room, on the right, there is an additional room that can be used as a fourth bedroom or as an independent living-dining room. In the left area of the living room we find a second renovated bathroom, which serves this area of the house. And...
