The property has a built area of 104 m², very well distributed, offering spacious and bright rooms. It features three bedrooms, ideal both for families and for those who need an office or workspace, and two full bathrooms that provide comfort and functionality for daily living. Located on a first floor with the height of a second floor, the property is exterior, ensuring excellent natural light throughout the day thanks to its south, east, and west orientations. This triple orientation allows for very pleasant cross ventilation and remarkable brightness in all rooms. The property is in good

condition and is perfectly habitable as it is. However, with a small renovation, it offers enormous potential to be updated and adapted to more modern tastes, becoming an even more attractive and personalized home. An excellent opportunity both as a primary residence and as an investment in one of the most sought-after areas of Madrid.
