On the fourth floor of a well-maintained classic building in the Chamberí neighborhood, we find this exceptional 1,673 sq ft property, completely renovated with the highest quality materials and great attention to detail. The social area has a large living-dining room that receives fantastic natural light from a bay window and a large window with a balcony. The kitchen is separate, modern in style, and fully equipped with high-end appliances. Its high ceilings and moldings on the ceilings and walls create a luxurious, stately atmosphere. The sleeping area has two en-suite bedrooms. The master bedroom is very spacious and has a beautiful bathroom and a large dressing room. The second bedroom, also very spacious, has a bathroom and double wardrobe. In addition, the property has a guest toilet and

a convenient laundry cupboard near the kitchen. There is the possibility of adding a third bedroom by using part of the living room. The property stands out for the quality of its impeccable renovation, its brightness, and its careful style that blends modern details and classic elements. The home enjoys optimal cross ventilation and aerothermal climate control. The building has a concierge and exterior access adapted for people with reduced mobility.
