Located on Calle Duque de Sesto—one of the quietest, most residential streets in the Goya neighborhood, just steps away from the commercial hub of Salamanca—this 145 m² exterior-facing apartment on the first floor has just undergone a complete renovation. Its corner position provides frontage in two directions, ensuring excellent natural light and ventilation throughout the main living areas. Daily life centers around a spacious living-dining room, which includes ample space for an eight-person dining table, a separate lounge area, and a built-in wine cooler. The kitchen opens onto this space, featuring a central island, dark wood cabinetry, porcelain countertops with marble-effect veining, and integrated appliances—allowing you to cook while remaining connected to family or guests. The sleeping quarters are distinct from the living areas. There are three bedrooms: the primary suite includes a walk-in closet and a private bathroom, while the second bedroom also features an en-suite bathroom. A third full bathroom serves the rest of the home. All bathrooms are finished with large-format wall coverings, countertop-mounted sinks on wooden vanities, and shower enclosures with black-framed detailing. The property also includes a separate laundry room, built-in wardrobes, ceilings with indirect lighting, decorative moldings, and wooden flooring. It is equipped with central heating, split-unit air...
