Located in the heart of the Goya neighborhood, just five minutes from Serrano and Madrid's prestigious Golden Mile, this exclusive 152 sqm apartment on Hermosilla Street perfectly combines the character of classic Madrid architecture — within a 1961 building — with a beautifully executed contemporary renovation by the renowned Arctempus studio. Situated on the sixth floor and facing outward, the property enjoys exceptional natural light throughout the day. The layout has been thoughtfully designed to maximize every square meter. The living area seamlessly integrates a spacious lounge with a fully equipped open-plan kitchen, creating an elegant and functional space ideal for both everyday living and entertaining. The property features three bedrooms, each with its own en-suite bathroom — a highly sought-after feature that remains difficult to find in this area and size range. A private terrace completes the home, offering that extra touch that truly elevates urban living. The apartment also benefits from central heating, split air conditioning, elevator access, and is delivered fully furnished, ready to move into from day one. Goya is one of the most balanced and desirable areas within the Salamanca district: Madrid's finest shopping and dining destinations are just a short walk away, with Serrano, El Corte Inglés, and Retiro Park all within easy reach....
