The apartment features a large, bright living-dining room thanks to a magnificent window that spans the entire length of the room, as well as a small terrace. The semi-integrated kitchen boasts an impressive marble island and high-end, integrated appliances. There is also a guest toilet and a laundry room. The sleeping area comprises four double bedrooms, all with en-suite bathrooms and large built-in wardrobes. The spaciousness of all the rooms, the abundant natural light, and

the generous amount of closet space are particularly noteworthy. The renovation has been carried out with meticulous attention to detail and using high-quality materials. Heating and hot water are individually controlled by gas, and the apartment also includes air conditioning and a concierge service. A practical storage room is also included.
