Aproperties presents a magnificent 74 m² apartment (according to the land registry), CURRENTLY IN THE FINAL PROCESS OF A COMPLETE RENOVATION, located in the Goya neighborhood, Salamanca district, just a few meters from El Corte Inglés department store and a short walk from Retiro Park, in one of Madrid's most sought-after areas. The exterior apartment boasts a very well-optimized layout. It comprises two bedrooms, two bathrooms (one en suite), and a living-dining room with an integrated kitchen. The complete renovation, in its final phase, has been designed to make the most of every square meter, resulting in spacious, comfortable, and well-balanced rooms. It is located in a building from the first half of the 20th century, typical of the area. This is an excellent opportunity both as an

investment and as a permanent residence, in an area with all amenities, shops, and excellent transport links. The photographs do not correspond to the advertised apartment, but to other projects carried out by the same architectural team. They allow you to appreciate the style and quality of the finishes, without any binding obligation. Can you imagine living here?
