Located in a classic 1920 estate, on one of the most representative streets of the neighborhood of Goya, we find this wonderful exterior house very bright thanks both for its south orientation and the height of its floor, ensuring the entry of constant natural light throughout the day and generating a warm and enveloping atmosphere in every room. The property has been completely renovated and equipped with high quality, with a detailed project, which combines the character of classical architecture with a contemporary, balanced and functional distribution. Among its finishes, it is worth highlighting the natural wood flooring, home automation, air conditioning system with independent control (Airzone), PVC windows with thermal bridge breakage, kitchen with lacquered furniture, island in oak wood and

bathrooms covered with top quality porcelain among others. We access the property through a large distributor equipped with a gabanero closet, which gives way to the wonderful day area. This is characterized by its amplitude and luminosity, and integrates living room, dining room and kitchen in a balanced space. The custom-designed kitchen adds functionality and aesthetics, and opens up to the living area, creating an ideal environment for both everyday life and guests. The sleeping area consists of two bedrooms. The main one is exterior, and has a beautiful and practical...
