It has 8 floors above ground, main lift, service lift and two neighbours per floor. **THE HOUSING:** The property includes two large parking spaces in the building's garage with direct access from the service lift. The social area, very luminous thanks to its three large windows and terrace, all facing outwards (west), has a guest toilet, an independent office with exterior window, two large living rooms and the dining room from which you can access the spacious terrace with views of Príncipe de Vergara. The kitchen is enclosed with three large glass doors and floor-to-ceiling wrought ironwork; it has stone floors...
