In the heart of the prestigious Barrio de Salamanca, located in one of its best and most commercial streets, Narvaez street, APROPERTIES offers for sale this fantastic penthouse very bright and with two magnificent terraces facing east and beautiful views. The property is a seventh and last floor and has 145m² built plus two coquettish terraces of 10 m² each facing east. It is in a state to reform, demolished ready to redistribute. The reform project proposes a large day area with living room with access to the two terraces, a large kitchen with island, toilet and laundry. In the night area there are three bedrooms with three bathrooms, the main one en suite, all with large fitted closets. We emphasize the luminosity of all the rooms thanks to the fact that it is a high floor.

The

property where the house is located, is a stately estate, with doorman and elevator. The excellent location of this property surrounded by restaurants, stores, as well as bus service, subway, hospitals, schools and sports facilities, make it a great opportunity as an investment and to live in an unbeatable location, with all the necessary services. Can you imagine living here?
