Located in a stately building on the Calle Alcalá, at the height of Manuel Becerra, we find this 116sqm house to which they have recently made a comprehensive reform (2016), with lots of charm and design. It has a large living room that has been incorporated into a terrace, fully equipped kitchen, with the best qualities of reform and independent laundry area. The house has two bedrooms, both with dressing room, and one of them with bathroom en suite. In the corridor we find another complete bathroom, with two sinks, which serves both one of the bedrooms and the guests. It has central heating and hot water, doorman every day of the week and has the possibility of renting parking spaces in the same building with direct access to the elevator. It has climalit windows, parquet floors, smooth paint,

security door and the best qualities of reform.
