We present this beautiful and bright flat, completely renovated with high-quality finishes and located in the heart of the Las Letras neighbourhood, just a stone's throw from the Gran Palace and the iconic Thyssen, El Prado and Reina Sofía museums. It is a fourth-floor exterior flat measuring 185 m². The living area consists of a spacious living-dining room with beautiful views of Plaza de Santa Ana. The kitchen is equipped with high-end appliances and ample storage space. The sleeping area consists of four bedrooms, three of which have en-suite bathrooms. We would highlight the renovation carried out using high-quality materials, the brightness of the rooms and the numerous built-in wardrobes. The building is classic, well maintained and has a beautiful entrance hall. The flat is sold furnished. The Cortes Huertas neighbourhood, also known as the literary quarter due to its great literary activity during the Golden Age, was home to important authors such as Cervantes and Lope de Vega. It stands out for its wide range of cultural activities, with some of the capital's most important theatres, restaurants, art galleries, craft studios and painters. Today, the vast majority of its buildings still retain architectural elements from that period, which sets it apart from other neighbourhoods in the capital. It is very well connected to the rest of the city, just a few minutes...
