The property, recently renovated, is located on the first floor of a beautiful estate of the early twentieth century, with stately portal, located next to the Plaza de Santa Ana and the Canalejas center.

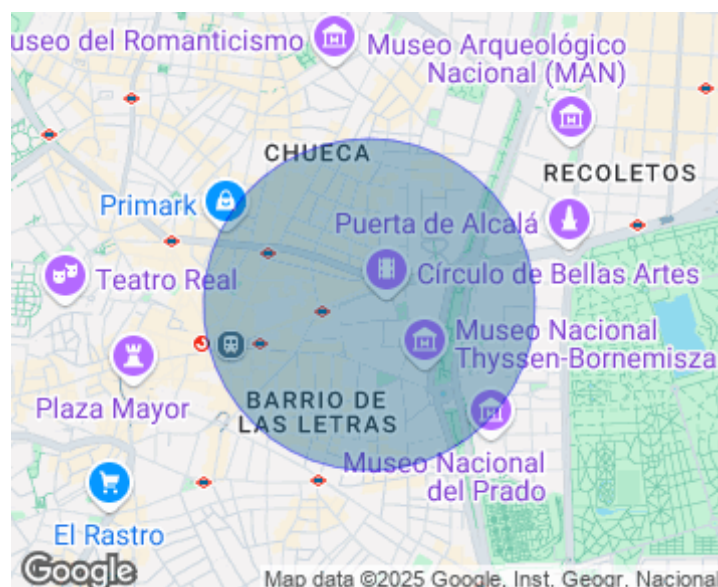

The reform has sought to maintain very large and open spaces, opening several of the rooms to a large patio of 60m. of private use of housing, where a beautiful terrace can be mounted. The house, which is interior and therefore very quiet, is distributed in an impressive room of 55m² with three balconies and three windows; kitchen open to the living room and fully equipped; a large master bedroom of 40m² with bathroom en suite and double front wardrobes;

another two bedrooms (one of more than 20m²) with fitted wardrobes, which share a second full bathroom; hall also with wardrobes and a toilet.
