Bathrooms

**5**

**Located in a new building of new construction we find this apartment of large dimensions and last qualities.**

From the entrance we access a large hall with auxiliary room. From the hall there is access to the day area and night area through a camouflaged door. The day area consists of a living room of 60 m<sup>2</sup> with access to 3 balconies and a small terrace from this space. Through sliding glass doors there is access to the kitchen, fully equipped with the latest appliances and carefully finished. From the kitchen, there is access to the service area consisting of a laundry area and a double bedroom with its own en suite bathroom and its own entrance. The night area

consists of three large double bedrooms, each with en suite bathroom and large fitted closets each except the master bedroom which has an open style dressing room. The hallway of the night area is composed of 5 large fitted closets, making this property unique in terms of storage space. In terms of heating and air conditioning, the house has the latest technology. It has underfloor heating and cooling and also cold heat pump by ducts and special carbon filters. The whole house is domotized and is controlled from each room, as well as through an iPad that monitors security and all rooms. Can...
