In the heart of the Jerónimos neighborhood and a few steps from the Retiro Park, is this wonderful brand new home.

The property has been renovated with exquisite taste and very high quality. We access the house through a generously sized hall distributor, from which gives way on one side to the area where there is a spacious living room with kitchen, framed by a huge window which gives the floor a spectacular light. In the night area we find two large bedrooms, the master en suite and equipped with a splendid dressing room. The second, also double and with space for a study area, is equipped with great storage capacity. The apartment has a laundry area.

The property has a doorman, central heating / heating ducts, and possibility of parking space on the property for rent. A great opportunity to have a perfect pied á terre in one of the most demanded neighborhoods of Madrid. Can you imagine living here?
