Housing located in the center of Madrid, with character and excellent level of comfort, which combines personality, comfort and a careful sense of home.

This is a renovated apartment in 2021 and ready to move into, in perfect condition. It has four balconies to the street, an element that provides exceptional luminosity, natural ventilation and a pleasant connection with the urban environment, reinforcing its appeal as an outdoor housing within the downtown district. Its current layout includes entrance hall, living room, two bedrooms, kitchen and a bathroom, offering a practical, functional and very comfortable space for the day to day. It also has a parking

space, an added value especially appreciated in the city center, where the convenience of parking is a competitive advantage and an element of high interest. A Due to its characteristics, location and condition of the house, it represents an interesting opportunity for both residential use and investment, thanks to the high demand for rent in the area and the property conditions. It is located near Santa Isabel, in an environment with a wide cultural, commercial and gastronomic offer, as well as excellent communications by public transport and access to the main roads of the city.
