This 65 m² built property stands out for its brightness, well-optimized spaces, and a top-quality renovation that pays meticulous attention to both aesthetics and comfort.

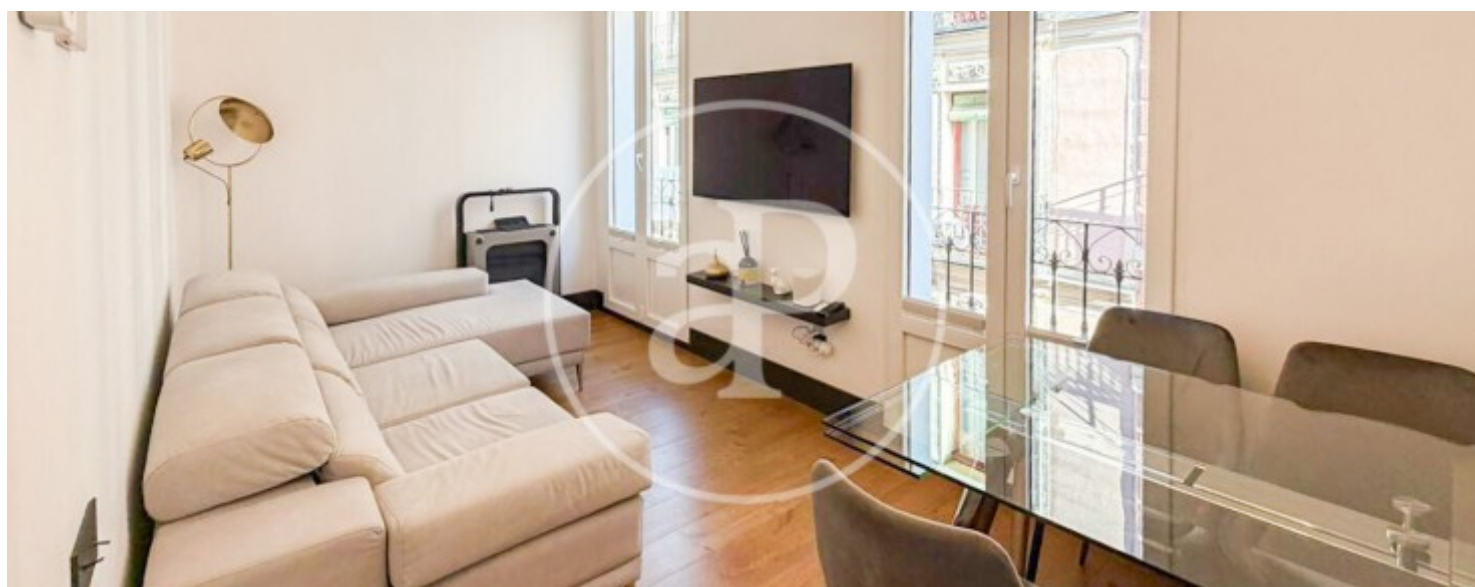

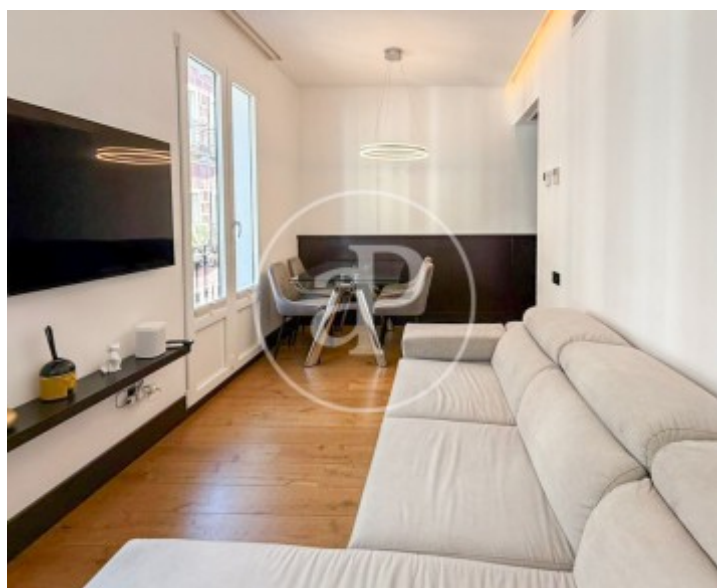

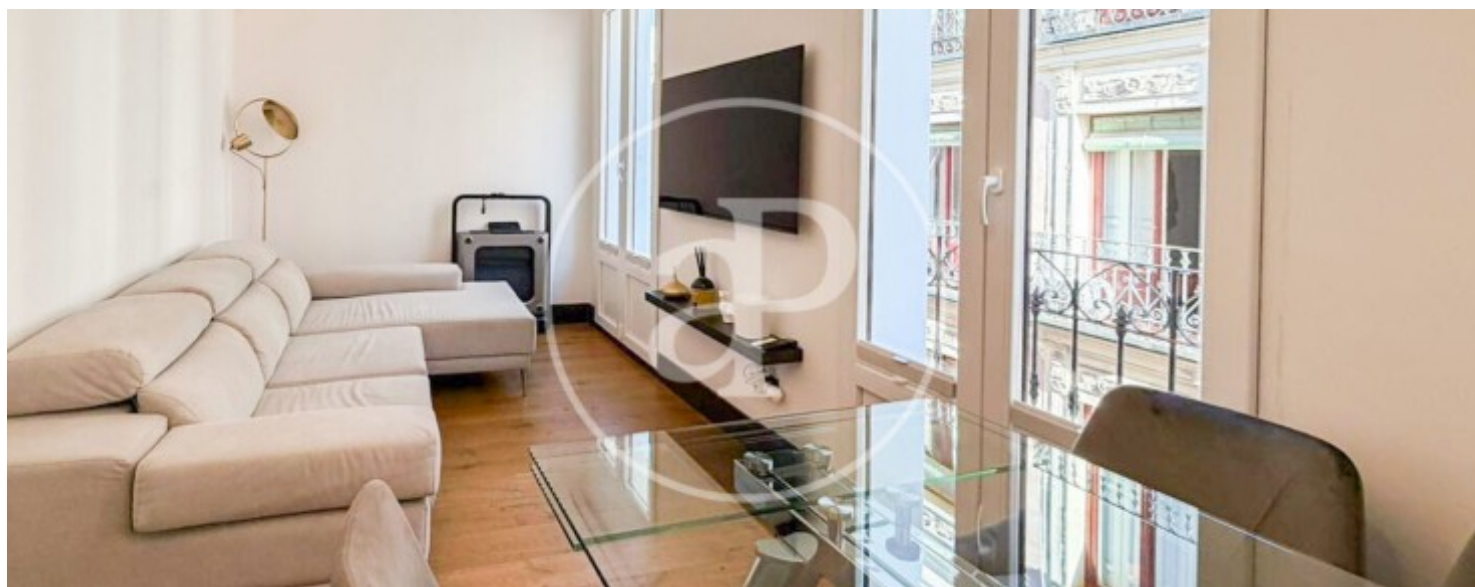

Being exterior-facing, it enjoys an excellent influx of natural light. The living room is one of the home's most appealing spaces, featuring two street-facing balconies that bring luminosity, spaciousness, and a delightful connection with the outdoors. The layout is designed to offer maximum comfort and functionality. The generously sized bedroom features a spacious walk-in closet, providing ample storage capacity and everyday convenience. The property includes a fully equipped, separate

kitchen designed to offer a practical and functional space while keeping the cooking and living areas distinctly separated. The large bathroom has dual direct access from both the bedroom and the kitchen area, providing an exceptionally practical flow. A Top-Quality Renovation The renovation was executed with meticulous care for both aesthetic and structural details. Structural beams have been reinforced, and acoustic insulation has been added to walls and ceilings, significantly enhancing interior comfort and living quality. Materials and finishes were selected to ensure the highest...
