There are houses that meet the needs of everyday life and others that also improve the way of living in the city.

This property belongs to the second category. With a particularly well-resolved distribution, the house offers a pleasant feeling of spaciousness from the very first moment. Each room has the right size, without unused spaces or forced corners, giving rise to a comfortable house, functional and designed to enjoy it for many years. The day area is built around a bright living room with access to a pleasant terrace facing the street and the surrounding grove. Next to it, the master bedroom shares this same orientation and exit to the outside, enjoying a large entrance of natural light and a pleasant sense of privacy. The night area and kitchen are oriented towards the interior of the urbanization, where the second terrace is located, a space especially attractive for its open views to the common areas. From here you can see the gardens, the pool and the padel courts, creating a peaceful and pleasant environment that provides a quality of life difficult to find in the city. The house has three bedrooms and three bathrooms, offering an ideal distribution for families looking for space and comfort. It is in a state of origin, allowing it to be...
