In one of the best residential areas of Madrid is this apartment built by the well-known construction company Baluarte, with an area of 80sqm.

In the day area is the fully equipped kitchen, and the spacious living room overlooking the community pool, being very bright and pleasant. In the night area we find a water area with washer and dryer, which gives way to the spacious suite bathroom of the main room, with Italian marble finishes and noble woods with Porcelanosa faucets. In the same room we have a large dressing room. The windows of the house are Shuco brand which makes it have great thermal and sound insulation. The farm has a portal finished in Italian marble,

two elevators of last generation, outdoor pool with solarium finished in wood, indoor pool for the winter, gym equipped with Salter machines. The house has underfloor heating, hot and cold air conditioning ducts, home automation in lights and windows, and piped music in all rooms. It has a storage room and four parking spaces included in the price.
