On Padilla Street, right in the heart of the Lista neighborhood, we have for sale a renovated exterior property of 131 m² inside a 1971 building.

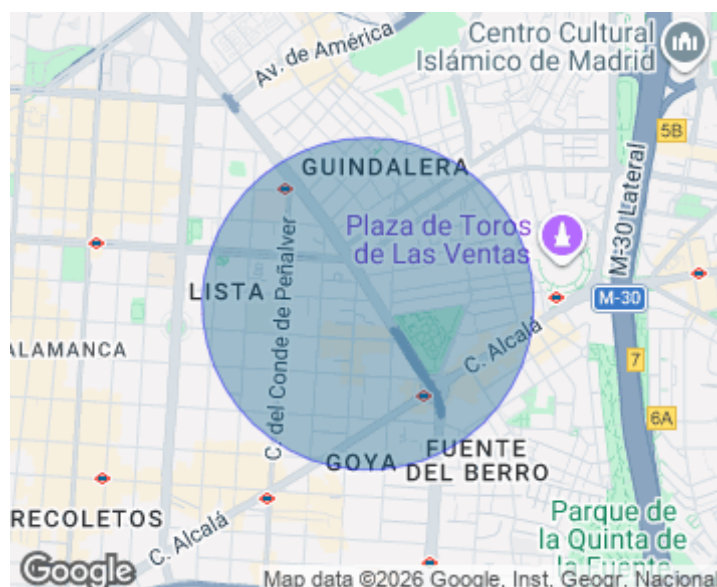

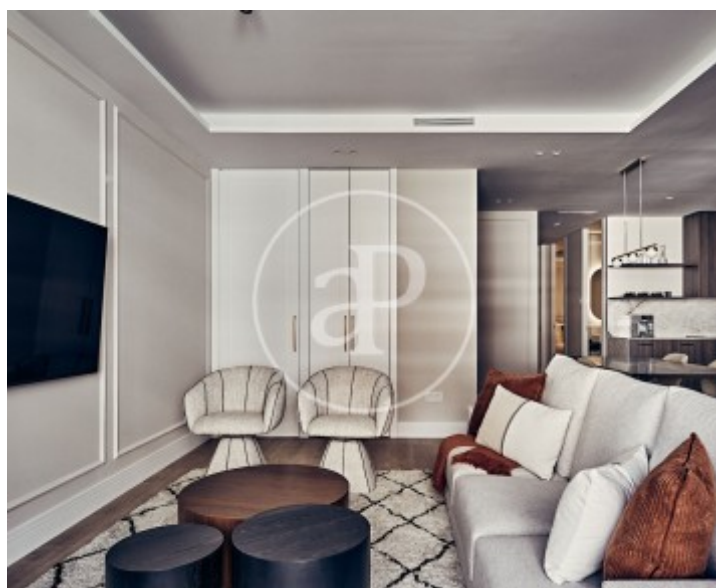

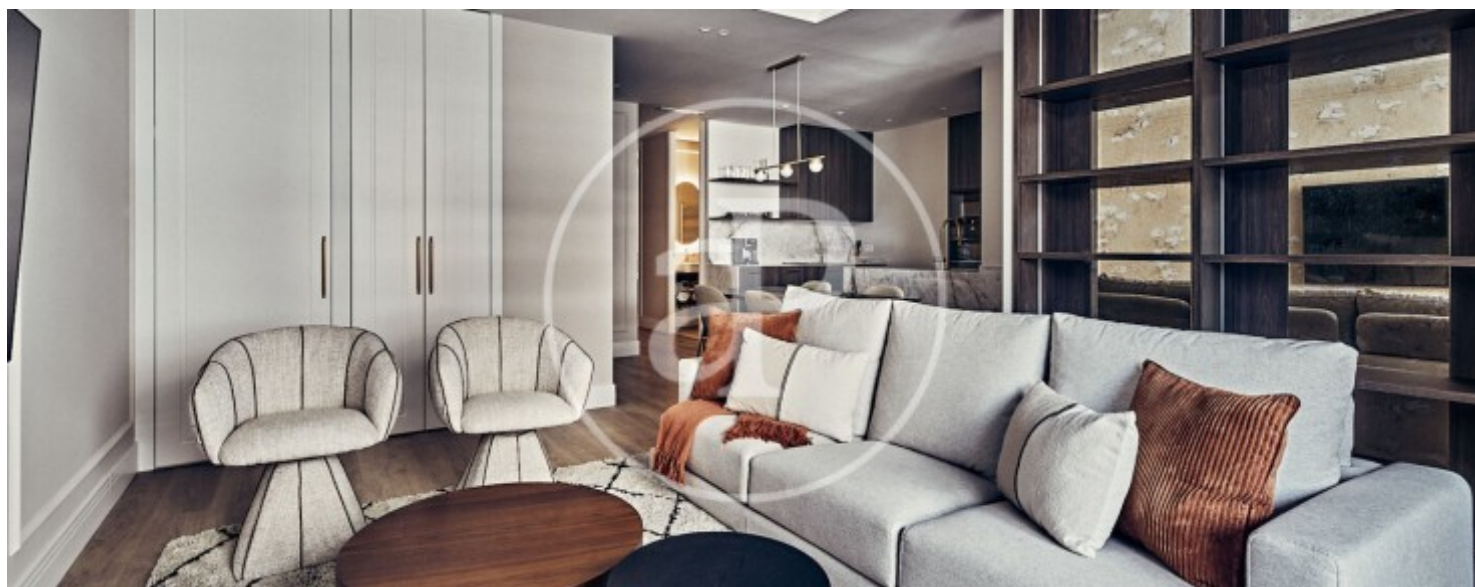

It is one of those spacious and bright apartments that are no longer easy to find in traditional Salamanca, featuring a completely updated interior by Arctempus, with meticulous attention paid to every material and finish. Situated on a fourth floor with an elevator, it is delivered fully furnished, ready to move in. Inside, the home is organized around a large day area featuring a living room and a fully equipped open-plan kitchen, where wood and marble define the character of the space. It is completed by three

bedrooms, two full bathrooms, and a walk-in closet, as well as a terrace, storage room, central heating, and air conditioning. Generous spaces designed for comfortable and spacious living. Living in Lista means enjoying stately facades, neighborhood commerce like the Mercado de la Paz, and the Golden Mile of Serrano just a step away, with El Retiro Park nearby for unwinding. A peaceful environment that is, at the same time, exceptionally well connected to the rest of the city. It is a property designed for those seeking space and comfort right in the center, without compromising on anything....
