The distribution is composed of two large double bedrooms with fitted wardrobes and a full bathroom with laundry room. A custom-made kitchen with paneled appliances and a practical peninsula and living area. We highlight the reform of the house taking care of the maximum detail, creating a cozy and very functional atmosphere. Thanks to its square floor plan it has been possible to make the most of the square meters giving rise to spacious environments. The materials used are of first quality, built-in wardrobes of great size and all dressed, partition and bathroom furniture made to measure, The heating is individual by gas and the air conditioning is by ducts in all the rooms.
