Located in the center of Madrid, next to San Bernardo, in a beautiful property of the late nineteenth century completely renovated, we find this fantastic duplex of 126sqm.

On the ground floor is the living room with ceilings over 6m, a bedroom, bathroom, toilet and kitchen. On the upper floor there are two bedrooms with Velux windows. The ceilings preserve the wooden beams and the original structure of the house. It is a very bright apartment thanks to its large windows and Velux. The housing has individual heating by natural gas and air conditioning in both floors. The apartment is rented furnished.
