In the heart of Malasaña, on Calle San Joaquín—one of the neighborhood's quietest and most charming streets—you will find this magnificent property located in a stately 1880 building with an iconic facade that reflects the historic character of the area. Located on a third exterior floor with an elevator, the property offers 163 m² of built area, where the spaciousness of its rooms and its 3.10-meter-high ceilings create a pleasant feeling of brightness and comfort. The building, with only two apartments per floor, guarantees a quiet and exclusive residential environment. The house is currently undergoing renovation and will be finished in October 2026. The layout has been designed to adapt to today's lifestyle, with a large integrated kitchen, dining, and living area,

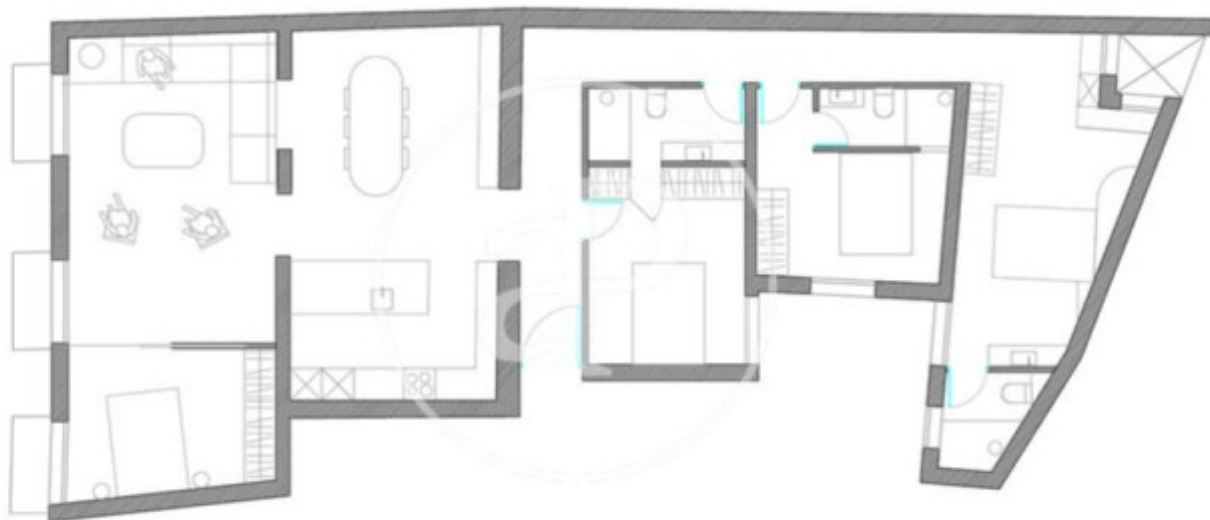

ideal for both daily living and gatherings with family and friends. It features four bedrooms and three bathrooms, offering a perfect balance between functionality and comfort. Special mention goes to the fourth bedroom, which is accessed directly from the living room. It is a multipurpose and highly versatile space designed to adapt to the needs of any given moment. It can serve as a guest bedroom, home office, TV room, library, or playroom; thanks to its configuration, it can be visually and functionally integrated into the living room to permanently extend the living area, or kept...
