In the heart of Malasaña, very close to Plaza de San Ildefonso, stands this recently renovated building with high-quality finishes.

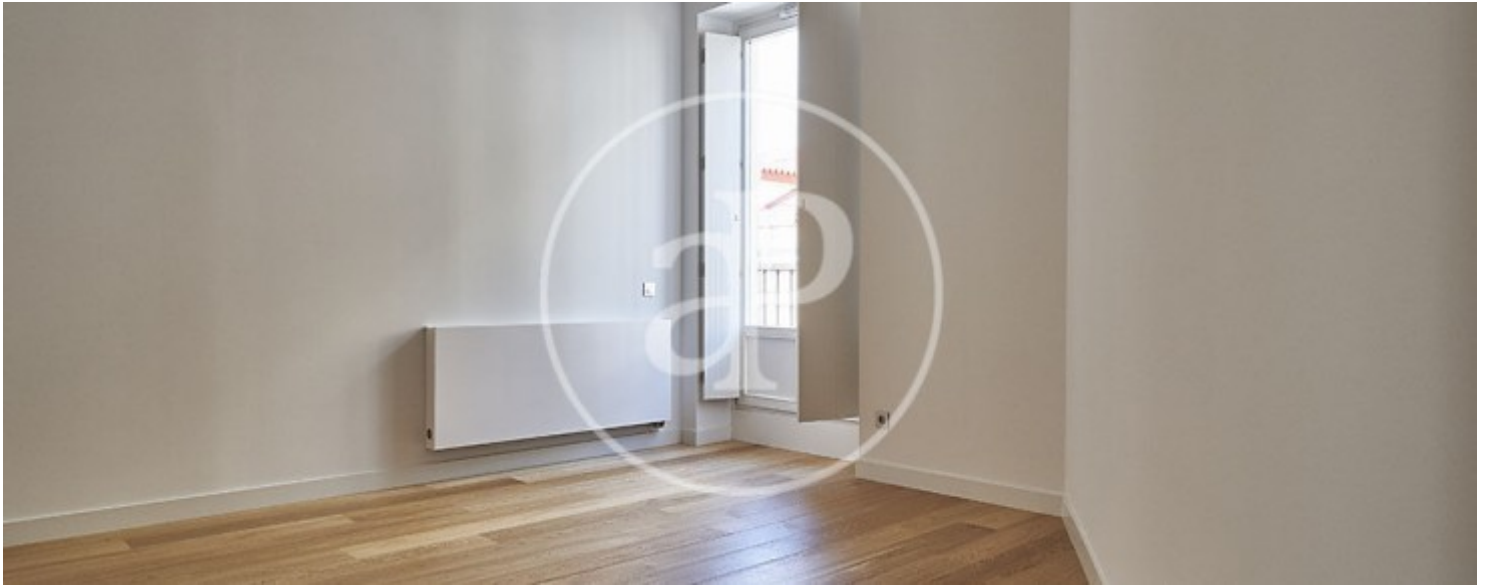

This bright, 121m² apartment boasts 90m² of living space. Upon entering, you'll find a spacious living-dining room with an integrated kitchen equipped with Bosch appliances. The sleeping area includes a bedroom with a dressing room and a full bathroom featuring a rain shower and bathtub. There is also a guest toilet. The apartment features ducted air conditioning, natural gas or ducted heating, electric underfloor heating in the bathrooms, and a storage room. The building has a concierge. The Malasaña

neighborhood, formerly known as Barrio de Maravillas, changed its name in 1961 after a young seamstress, Manuela Malasaña, who was murdered by Napoleon's troops. It is one of the most sought-after areas in central Madrid and a key witness to the legendary Movida Madrileña cultural movement. A vibrant place, both day and night, yet peaceful like a small town on the outskirts of town. Can you imagine living here?
