Located in the centre of Madrid, next to San Bernardo, in a beautiful property from the end of the XIX century, totally refurbished, we find this fantastic duplex of 126 m² of which 100 m², approximately, are useful. On the ground floor there is a living-dining room with ceilings of more than 6 m², a bedroom, a complete bathroom, a guest toilet and a kitchen. On the upper floor are two bedrooms with Velux windows. The ceilings preserve the wooden beams and the original structure of the house. It is a very bright flat thanks to its large windows and Velux windows. The property has individual heating by natural gas and air conditioning on both floors. The flat is rented furnished. Available from 1st July. Can you imagine living here?
