Design and luxury finishes in a unique loft next to the Retiro Park, in Niño Jesús.

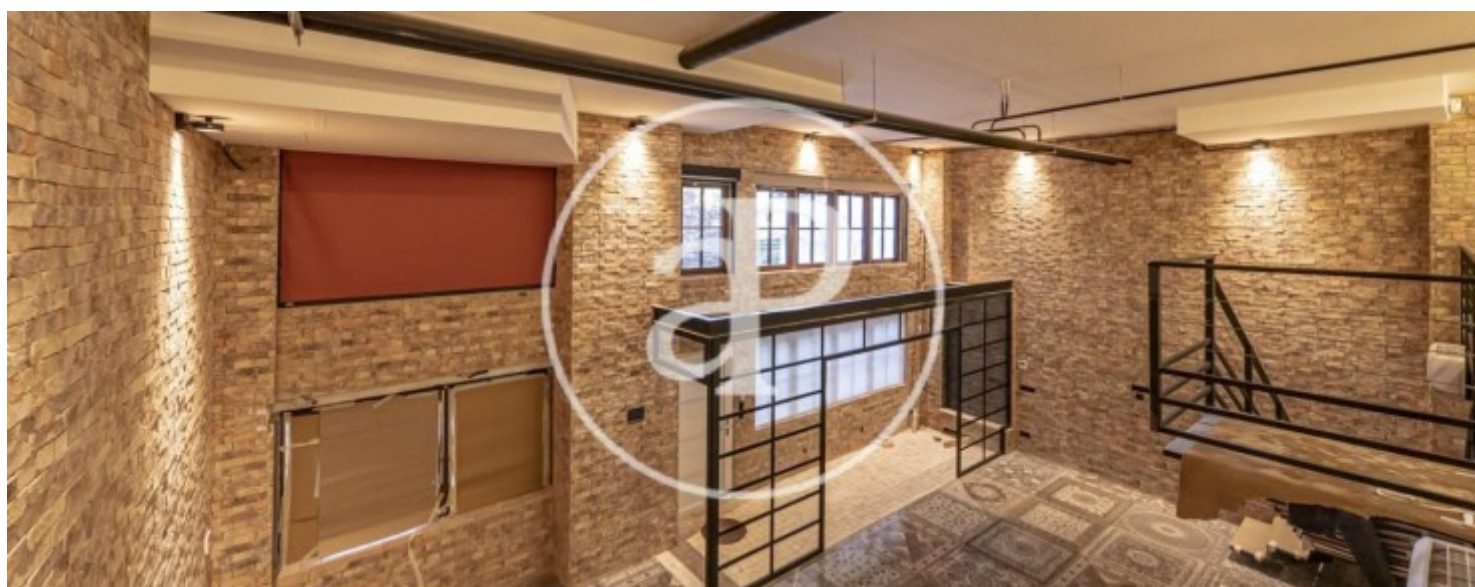

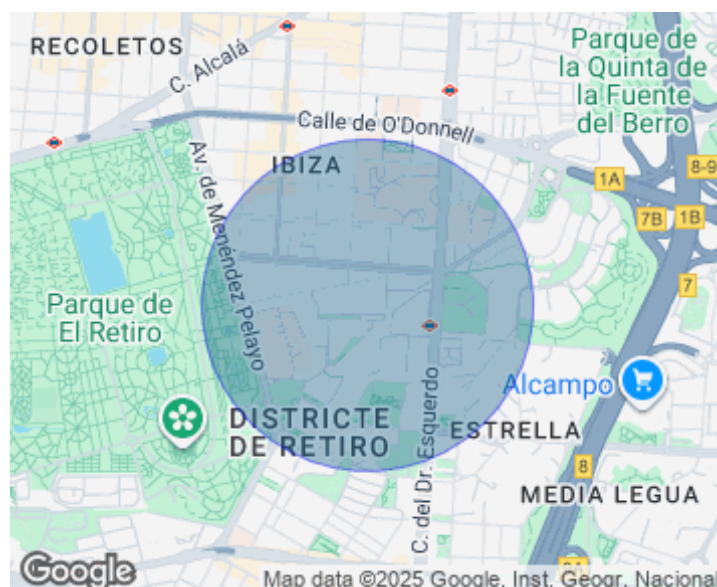

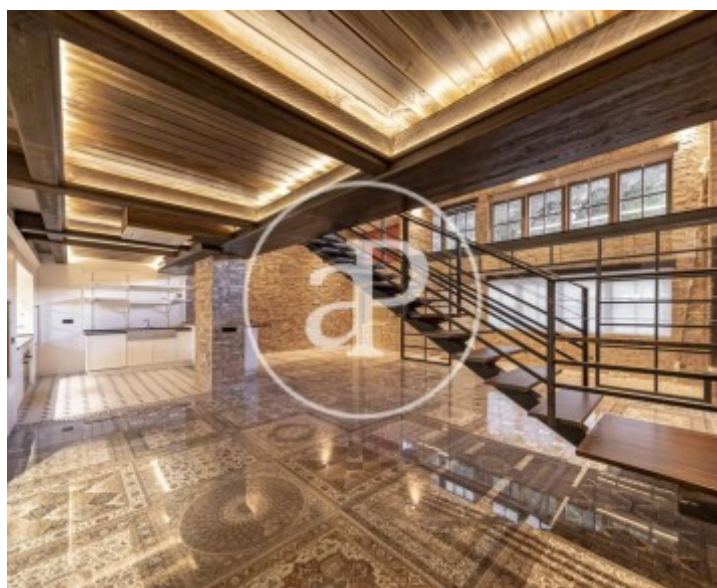

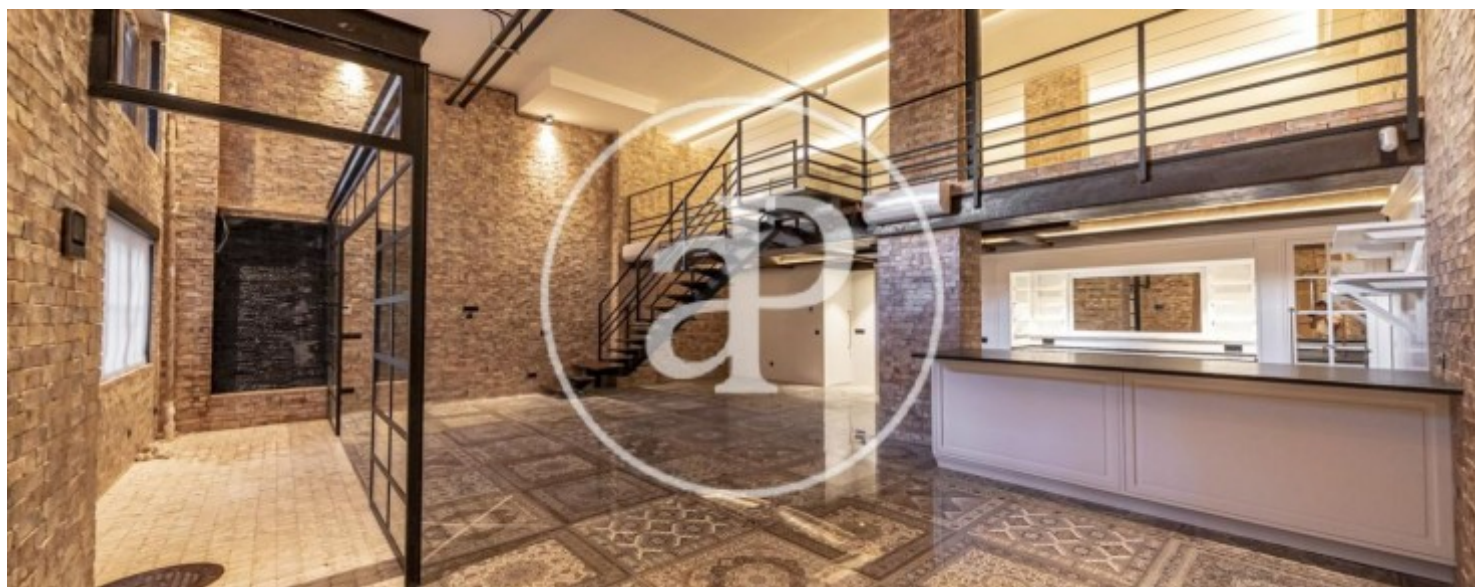

A unique home with 185sqm of usable space and 5 metre walls and wooden ceilings, distributed over two floors. The ground floor houses the day area, with an entrance hall in light, aged Travertine and a spectacular weeping wall in black slate, which gives way to the living room and integrated kitchen, in solid Marci Cucine wood and granite worktop, a separate pantry and washing area. There is also a large courtyes bathroom with a hydro-massage bath, Turkish bath and hammam. An architectural staircase made of aged Valsain pine gives access to the upper floor, which

has a huge bedroom with dressing room and bathroom en suite, although it is prepared to distribute that space in two or three bedrooms, and add one more bathroom. Multiple options for a home with impeccable finishes, surveillance system, maximum security fencing, home automation throughout the house and a spectacular patchwork effect glass floor. The property where this spectacular loft is located has a caretaker, garden, swimming pool and a parking space included in the price. Can you imagine living here?
