On the most representative avenue of the Barrio Niño Jesús, just a few metres from the Parque del Buen Retiro, we find a unique home.

Located in an elegant and stately property dating from the late 70s, on an intermediate floor, its almost 400 m² of living space make it possible to design a tailor-made home with a functional layout and spacious and bright rooms. Currently, the day area consists of a large entrance hall with a walk-in wardrobe, a living room in several rooms with direct access to the main terrace, a formal dining room, a TV room, a full bathroom that doubles as a guest toilet and a large kitchen with a separate utility room and

laundry area. The sleeping area consists of a large master bedroom with en-suite bathroom, dressing room and private terrace, plus three double bedrooms, two of them with en-suite bathrooms. The property has a large storage room and two parking spaces on the estate with direct access from the property. The property has a garden area, swimming pool, concierge and security. An exclusive property in the most residential neighbourhood of the Retiro District. Can you imagine living here?
