RENOVATED DETACHED-HOUSE IN NUEVA ESPAÑA.

Renovated villa with pool and garden of great qualities very bright and spacious. The villa is located in the area of PioXII and has two floors in which we find perfectly separated the day and night area. From the entrance there is access to a large hall and to the living-dining room of the house. One of the most important features of the property is its industrial character and care, a clear example of them are the exposed beams of iron as well as the staircase of the same material. The kitchen is accessed from the living-dining room and has the last range appliances paneled preserving the aesthetics of the house. From

the stairs we access the upper floor, which consists of 4 double bedrooms and 3 en suite bathrooms very bright and with fitted closets. Can you imagine living here?
