Detached house for sale, construction area of 240 m with 380 m built housing, divided into three floors with a pool on the roof.

Housing with a variety of possibilities. On the second floor, you can place the living area as they are two spaces of a very large size to place a large entrance, a large living room and living room. The bedrooms are located on the second and third floor. There are four en suite bedrooms with dressing rooms. The master bedroom with three areas: bedroom, dressing room and bathroom is larger than the rest and is located in a grove. On the roof is the swimming pool, of work, integrated in a very aesthetic way. This floor has the

possibility of leaving a very nice chillout because the surrounding houses are not very high and the different trees of the area are very appreciated. Downstairs is the kitchen with an office and dining room, the maid's room, another bathroom and access to terraces surrounding the house. The design of the whole house is carefully designed to detail both in lighting and comfort. The materials used are of first quality. The location has displacement to the whole city, leisure areas around, schools, parks, entertainment and dining places, very residential area. Can you...
