Aproproperties Real Estate has the privilege of presenting a unique property, one of those that are no longer built, located between Callao and Plaza de Oriente, in a 1910 building that seems to have made a pact with time to remain eternal. With its three balconies and a viewpoint overlooking the soul of Madrid, is a timeless jewel between the Gran Vía and the Royal Palace.

This property offers us its 211 square metres to renovate, located on a third floor with lift, distributed in four bedrooms, two bathrooms, an individual kitchen with a closed clothesline and a spacious living-dining room with a double ambience. The light is spectacular in all the rooms. Undoubtedly, it is a house that invites you to live in it from the moment you cross its entrance threshold. Every corner of this property

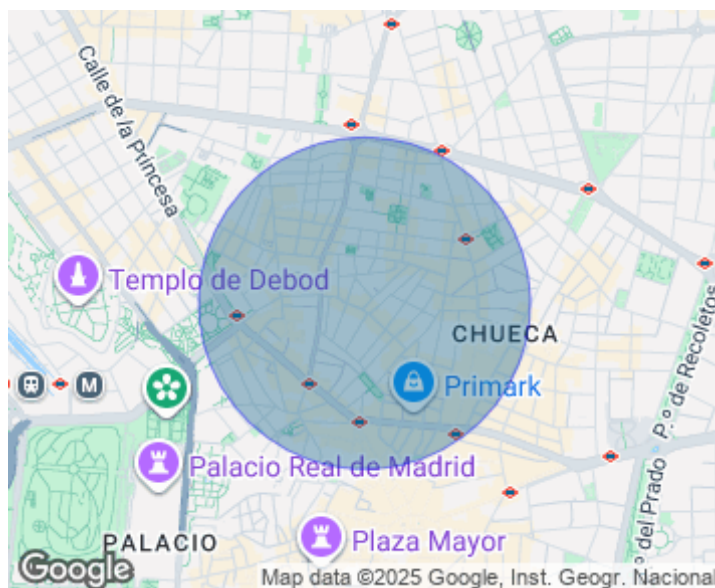

breathes history, light and elegance: three-metre high ceilings, woodwork from the oriel windows of the last century, melis pine floors, and a large, bright and spacious lounge-dining room with a double... The living room, with its two balconies plus the veranda, is the perfect place to lose yourself with a book or enjoy the best get-togethers. Three of its four rooms look out onto the open sky of a large, white and bright courtyard. It is a property that transmits that calmness that can only be found in buildings with history. Cast iron radiators, light throughout the house... And if that...
