Cozy house in the heart of Madrid, just a few steps from the Royal Palace.

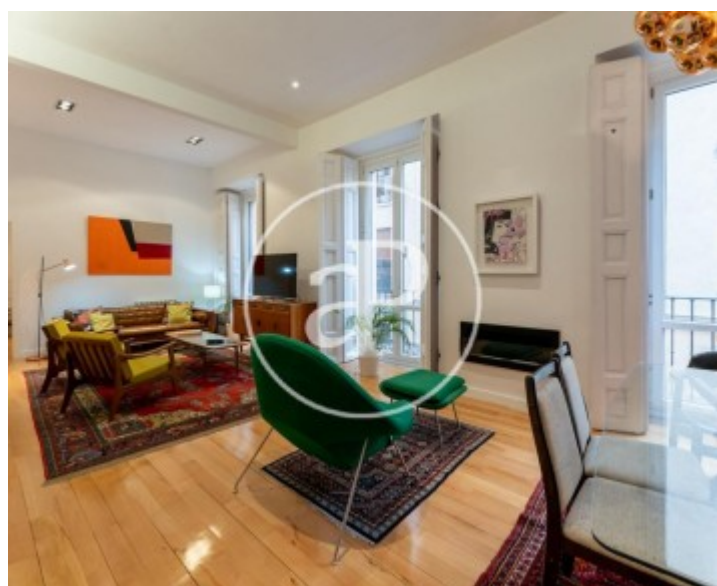

It has two bedrooms and two bathrooms as well as a toilet in the hall and a fully-furnished kitchen with top-of-the-range appliances. The house was decorated by an interior designer with designer furniture, making it a very cosy home. As soon as we entered we arrived at an entrance hall with a guest toilet. On the left we find one of the two bedrooms, it has a lot of space, with built-in wardrobes and a bathroom. To the right we found a great hall with three large windows, having much light. The kitchen is to the right of the living room, being semi-integrated into the living room and perfectly

equipped. Finally, the master bedroom has a large dressing room and a bathroom with a designer bath and a built-in shower. The house is in perfect condition to move in, a great opportunity to live in one of the most majestic districts of Madrid.
