Aproperties offers for sale this great investment opportunity in the heart of the Latina neighbourhood, just a few metres from the Mercado de la Cebada and the Teatro de la Latina.

The property has 133 meters and three independent entrances. It is currently in the process of being refurbished, leaving a direct access from the street, which allows it to obtain a tourist license. The property has three independent entrances, two from the entrance and one from the street. It is expected to be finished by the end of February 2024 and will be delivered fully equipped and furnished. In addition, it has 40 metres underfloor, which further expands the

spaces. La Latina is a lively neighbourhood located on the site of a medieval Islamic fortress, and its streets, with numerous tapas bars and taverns, tend to be among the most frequented by locals. The Royal Basilica of San Francisco el Grande, with works by Goya, and the church of San Pedro el Viejo, which has a Mudejar tower, are two of the neighbourhood's landmarks. Can you imagine living here?
