We are facing a house of brand new reform and luxury finishes.

From the entrance we access the hall that has a closet and a small toilet. Next, we find a fully equipped kitchen with the latest appliances. After advancing down the hallway we access the living room that has 2 balconies to Recoletos street. This has direct access to one of the bedrooms. In the hallway we find another bathroom and at the end of the hallway the last double bedroom overlooking the entire area of Recoletos. Can you imagine living here?
