aProperties presents this real gem of a penthouse measuring 156 m², located on one of Madrid's most exclusive streets, in the Recoletos neighborhood within the Salamanca district, just steps from Puerta de Alcalá and Retiro Park. The property has recently undergone a high-end renovation, executed with meticulous attention to materials, finishes, and fine details. It has barely been lived in, leaving it in virtually brand-new condition. It stands out for its extraordinary natural light and pleasant open views, which bring a wonderful sense of spaciousness and peace. The social area features a roomy living-dining room with an open kitchen, fully equipped with high-end appliances, alongside an adjoining second living room that allows for distinct living environments. Most of the original terrace was incorporated into the living room, creating a space of extraordinary width and brightness. Its massive sliding windows allow the room to open seamlessly to the outdoors, creating an inviting indoor-outdoor flow paired with magnificent views. The sleeping quarters comprise three bedrooms, all with en-suite bathrooms, designed to offer maximum comfort and privacy. The home also includes a guest powder room (*aseo*) and an independent laundry area. The property is situated in an elegant, beautifully maintained classic building with concierge service. It is a very boutique building...
